- (A) The commission shall review and analyze all policies and procedures of the electric utility, including the electric rate structure, fuel costs and charges, customer services, capital investments, new generation facilities, selection of types of fuel, budget, strategic planning, regulatory compliance, billing procedures, and the transfer of electric utility revenues from the utility fund to the general fund.
- (B) The commission shall advise the city council, the city manager, the electric utility, city departments, and city boards, commissions, and committees on policy matters relating to the electric utility. All advisory information given shall simultaneously be forwarded to the city manager.
- (C) The commission may review, study, and make recommendations to the Planning Commission on proposed electric utility projects for inclusion in the Capital Improvements Program.
- (D) The commission may request that the city council hire an outside consultant every five years to make a comprehensive review of the policies and procedures of the electric utility. The commission may initiate an external or internal review of the policies and procedures of the electric utility. If the commission initiates a review, it shall report its findings to the city council and the city manager.
- (E) The commission shall interpret the role of the electric utility to the public and the role of the public to the electric utility. The commission may hold a public hearing and briefing session every six months to explain new policies and to take public comments, suggestions, and complaints.
- (F) The commission may make recommendations to the city council before final council action on a policy or procedure of the electric utility.
- (G) The commission shall request from the city manager any information which it deems to pertain to the electric utility.
- (H) The commission shall, as a body, review customer complaint procedures, accept specific customer grievances and complaints, and make recommendations to the city council and city manager based on its findings. This duty does not supersede, replace, or substitute for the appeal procedures provided to customers in the City Utility Service Regulations.
- (I) The commission shall seek to promote close cooperation between the city council, other city boards, committees, and commissions, city departments and individuals, institutions and agencies concerned with the policies, procedures, and operations of the electric utility to the end that all similar activities within the City may be coordinated to secure the greatest public welfare.

ARTICLE 3. MEMBERSHIP.

- (A) The board is composed of eleven members appointed by the city council.
- (B) A member serves at the pleasure of the city council.
- (C) Board members serve for a term of four years beginning March 1st on the year of appointment.
- (D) An individual board member may not act in an official capacity except through the action of the board.
- (E) A board member who is absent for three consecutive regular meetings or one-third of all regular meetings in a “rolling” twelve month timeframe automatically vacates the member’s position subject to the holdover provisions in Section 2-1-27 of the City Code. This does not apply to an absence due to illness or injury of the board member, an illness or injury of a board member’s immediate family member, active military service, or the birth or adoption of the board member’s child for 90 days after the event. The board member must notify the staff liaison of the reason for the absence not later than the date of the next regular meeting of the board. Failure to notify the liaison before the next regular meeting of the board will result in an unexcused absence.
- (F) At each meeting, each board member shall sign an attendance sheet which indicates that the member does not have a conflict of interest with any item on that agenda, or identifies each agenda item on which the member has a conflict of interest. Failure to sign the sheet results in the member being counted as absent and his/her votes are not counted.
- (G) A member who seeks to resign from the board shall submit a written resignation to the chair of the board, the staff liaison, or the city clerk’s office. If possible, the resignation should allow for a thirty day notice so the city council can appoint a replacement.
