Size

2 acres

History

Built: 1839 (platted as "Public Square"), 1888 (named)

Renovated: 1909

Downtown Austin Plan

Short Range

Source: <http://www.austintexas.gov>

- Reduce the impact of the Austin Fire Department parking lot, both visually and spatially.
- Accommodate better day-to-day, informal use of the square.

Long Range

Source: <http://www.austintexas.gov>

- Create visitor-oriented park with a cultural emphasis that also supports daily use by nearby residents and employees.
- Maintain and enhance as a landscape refuge.
- Ensure the park can support a variety of types and sizes of events and gatherings.
