## **Group Discussion**

Which scenario is the best starting point to build the Austin Strategic Mobility Plan? (circle your choice)

| Scenario A                     | Scenario B   | Scenario C |
|--------------------------------|--------------|------------|
|                                |              |            |
| Why?                           |              |            |
|                                |              |            |
|                                |              |            |
|                                |              |            |
|                                |              |            |
|                                |              |            |
|                                |              |            |
| What's missing from your chose | en scenario? |            |
|                                |              |            |
|                                |              |            |
|                                |              |            |
|                                |              |            |
