Applicable Regulatory Requirements for Excursion Boats

Careful attention must be paid to all applicable requirements of the Austin City Code (to view these regulations in their entirety, go to: www.austintexas.gov/boatsewage), including the following selected sections relating to excursion boats:

- From §6-5-23: "A person may not discharge sewage into the water supply."
- From §6-5-31:
 - (A) A person may not operate a watercraft on the water supply, if the watercraft has a marine sanitation device capable of discharging sewage into the water supply.
 - (B) A person may not operate a watercraft on the water supply, if the watercraft has a marine sanitation device that does not comply with all applicable local, state or federal requirements.
 - (C) A person may not operate a watercraft with one or more sleeping quarters unless the watercraft is equipped with at least one permanently installed marine toilet properly connected to a marine sanitation device.
 - (D) A person may not dispose of the contents of a marine sanitation device by any means other than: (1) discharge into a boat pump-out facility certified and permitted as required under this article; (2) discharge into an adequately-sized-on-site sewage facility permitted to receive boat sewage that is in compliance with Chapter 15-5, Article 1 (Regulation of On-Site Sewage Facilities), as applicable, and all applicable local, state, and federal regulations; or (3) collected by a liquid waste hauler that is in compliance with *Chapter 15-5, Article 2 (Liquid Waste Haulers)*, and all applicable local, state, and federal regulations.
- From §6-5-33:
 - (A) A person who operates an excursion boat with a capacity of more than twenty passengers shall have at least one marine sanitation device on the watercraft for passengers unless the excursion boat is used exclusively for cruises lasting no more than one hour that do not include food or alcoholic beverage service.
 - (B) A person who owns or operates an excursion boat with a marine sanitation device who disposes of any sewage or waste derived from sewage by using a liquid waste hauler shall keep and make available for inspection and copying by the director all waste transport and disposal records for at least three years from the date the record is created.
 - (C) A person who owns or operates an excursion boat with a marine sanitation device shall submit periodic reports and records documenting the volumes, dates, and frequency of waste removal and disposal as may be requested by the director.
- From § 6-5-35:
 - (E) A permit is not required for: (1) the owner or operator of a boat pump-out facility that is part of a marina located on or adjacent to Lake Travis that is operating under a permit from the Lower Colorado River Authority; or (2) the owner or operator of an excursion boat operated exclusively on Lake Travis at a marina facility subject to subsection (E)(1), and that is certified as required under Title 30 Texas Administrative Code Chapter 321, Subchapter A (Boat Sewage Disposal).
- From § 6-5-36:
 - (A) A person who violates a provision of this article commits an offense subject to the penalty prescribed by Section 1-1-99 (Offenses; General Penalty).
 - (B) An offense under this article is subject to the fine applicable for an offense that relates to public health and sanitation.
 - (C) Each occurrence of a prohibited act, and each day that an offense continues, is a separate offense.
 - (D) Proof of a culpable mental state is not required for conviction of an offense under this article.
