**Notes:**

Dates may be modified slightly if changes to meter read schedules are necessary.

Wastewater average will be based on water consumption for all three months.

Months with zero consumption will not be included in the calculations. More than one month with zero usage results in a default WWA.

*\*Service must be active at least 60 days to qualify for wastewater averaging;*

*otherwise the customer will have a default wastewater average.*

*Residential WWA default is 5,000 gallons. Commercial default - refer to rates schedule.*
